## *ABOUT THE SNOHOMISH COUNTY VIKINGS*

The Snohomish County Vikings, a minor league football team is a federally registered non profit

Join the JR. Vikings  
KIDSCLUB TODAY!

group helping to bring aid to those in need in the greater Snohomish County area. We teach teamwork and how to support your local community among other things. Our

talents on the gridiron are provided voluntarily so that others may benefit from our success. Our organization sees no gender, age, religious, ethnic or social economic barriers except that you have to be at least 18 years old to participate. We primarily serve all of Snohomish County, North King County as well as South Skagit County, but there is no geographical barrier either.

With each person we help, whether it is directly a teammate or a community member, we know that "pay it forward" is a great possibility. When our members work in the peewee sector, we are working with thousands of children. Several of the coaches that are coaching youth programs today have some sort of present or past association with the Snohomish County Vikings.

(continued)

It is unimaginable how many lives we have affected in the 18 years of our existence.

One focus is teaching men the positive ways they can improve their life and others lives by encouraging higher education, teaching positive ways of life and focusing on mentoring others to see that life cycles change. These teachings are headed up by owner and head coach Wes Fischer. He has contributed 45 years of working with youths either through football programs or through youth and High School wrestling.

In a time when families are looking for cost effective family entertainment, with membership, the Snohomish County Vikings can provide family entertainment for a family of four for as low as \$12.00 per game.

One of the additional benefits your child will receive by joining the Jr. Vikings 2011 KIDSCLUB, will be interaction with our players and cheerleaders that will foster positive attitudes, sportsmanship, and fair play where our team members can become examples and mentors to your children, making friendships that last a lifetime.
